Beverage Industry Applications

What fields can HONG'S BELT products be applied to?

**COMBINING
EQUIPMENT**

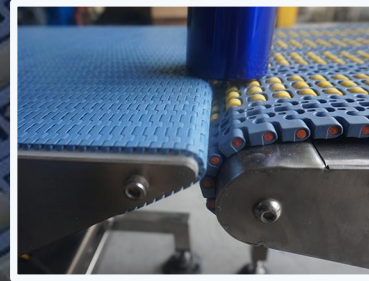

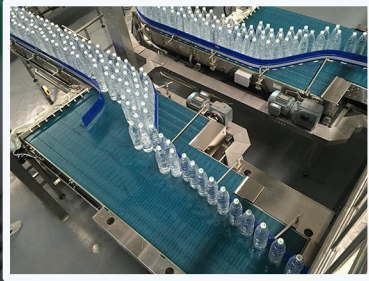

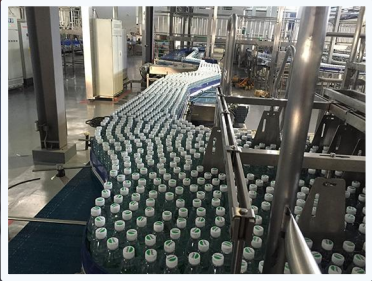

**LINE
BALANCING
SWITCH**

**TURNING AND
DIVIDING**

**NO DEAD
PLATES**

**SPACE
SAVING**

**PACKAGING
AREA**

COMBINING EQUIPMENT

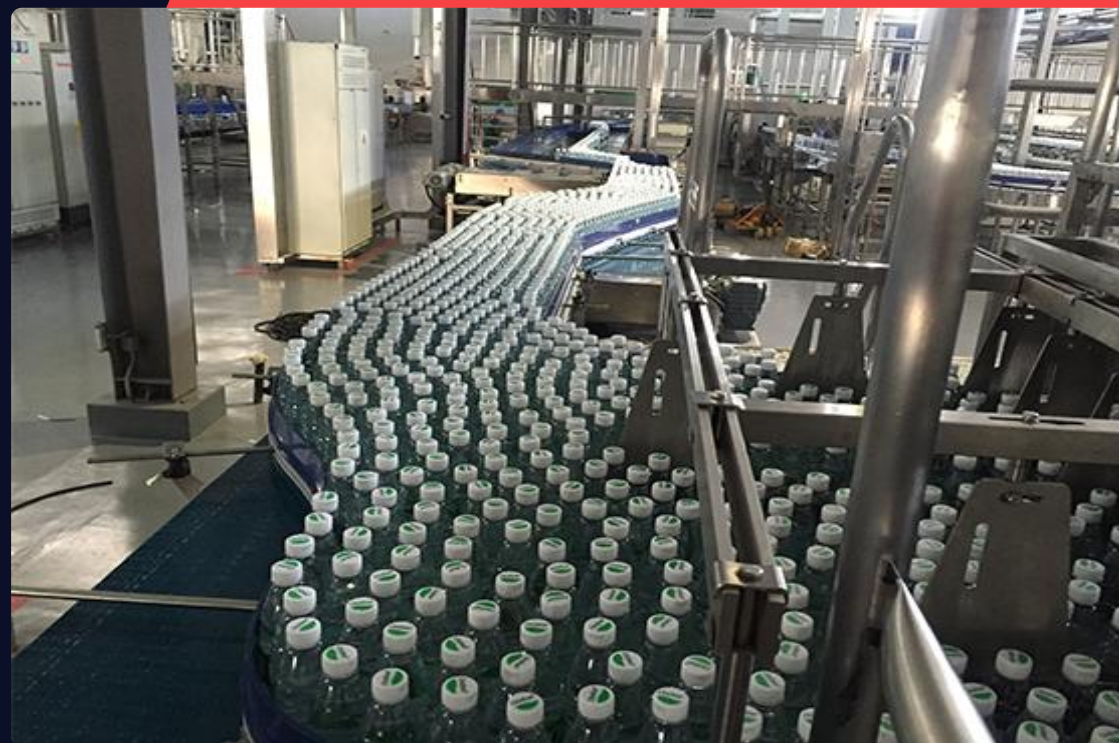

FDA certification

Multiple Domestics in One Using HONG'S BELT TECHNOLOGY

Our conveyor solution "from packaging machine, palletizer, 90-degree transfer conveyor, flat panel turning conveyor, etc." program, you can combine multiple equipment on the beverage line as a set of machines. Especially for complex areas with multiple feed and discharge ends. Including the modules used on the equipment, we can perfectly replace other brands of products.

HONG'S BELT's beverage industry solutions include:

- Perfectly compatible with other brands of mod belts
- Various functional types of conveyors independently produced and developed
- Reduce upfront investment and total cost of ownership

Super Wear-Resistant - Super Long Life

LINE BALANCING SWITCH

All Brand Compatible Replacement

Handle multiple infeeds and outfeeds with our HONG'S BELT solution. Our HONG'S BELT solution provides a fast, flexible, future-proof lane-separating solution that can handle multiple infeed or outfeed ends, for a wide variety of packaging and product types. We have developed many types of modular belts, and any brand of modular belts can be replaced at any time, including equipment.

Our line balancing and lane separation solutions include:

- Various types of conveyor equipment
- All categories of replaceable compatibility modules with solutions

TURNING AND DIVIDING

FDA Certification
MODULAR BELT

HONG'S BELT Offers Modular Belt Replacement for turning and dividing. Diverter lane dividers are redefining efficiency and flexibility in case handling applications. We have uniquely developed modular belt compatible alternatives for this type of equipment and can supply several types of modular belt for these equipment, we can also provide complete equipment solutions, our solutions can be up to 500 pieces / minute from Multiple infeeds divert and divert packages to multiple outfeeds.

Our advantage:
We have a complete mod strap alternative

**Super Wear-Resistant - Super
Long Life**

**All Brand Compatible
Replacement**

TIGHT TRANSFERS

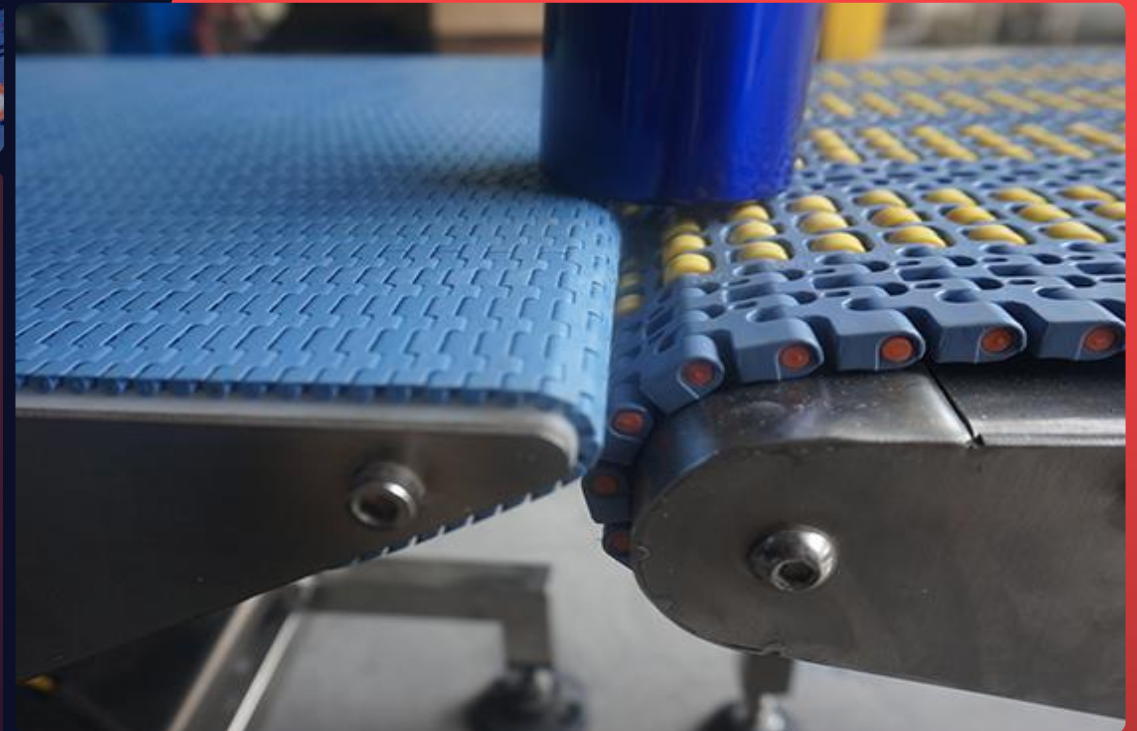

FDA Certification
MODULAR BELT

High-strength compact transition modular belt for the beverage industry, also suitable for knife-edge conveyors

The transition between conveyor belts is especially important for beverage production. HONG'S BELT 1100 Series Modular Belts provide smooth, flexible conveying with minimal product damage or waste. Especially suitable for the transition of bottles, cans and packaging.

Advantage:

- Superior design ensures accurate guidance
- Reduce conveyor setup and installation time
- Reduce product damage or waste

**Super Wear-Resistant - Super
Long Life**

**All Brand Compatible
Replacement**

SPACE SAVING

Space Saving Equipment Solutions

- On a beverage line, the product is the most valuable segment, followed perhaps by the space available.
- HONG'S BELT's modular belt and equipment solutions help you make full use of the available space and reduce the footprint of your conveyor equipment.

Super Wear-Resistant - Super Long Life

PACKAGING AREA

The back-end packaging technology that HONG'S BELT continues to invest in research and development, combined with the layout of traditional technology production lines, can help Fish and Seafood processing enterprises to realize the automation of all or part of the back-end processes of the production line. The ICONVEY conveyor equipment made of HONG'S BELT modular belt can standardize the packaging production line, help to improve production capacity and reliability, and prevent product damage.

Conveyor equipment: a set of patented automated conveying solutions that open up new possibilities for conveyor systems and line layouts. Proven in thousands of installations around the world, our equipment enables efficient, gentle and reliable product transfer in applications where conventional technologies fail.

Modular belt: HONG'S BELT's modular belt can be compatible with most brands on the market, whether you are adding a new conveyor line or equipment maintenance replacement parts, we have any modular belt products you need.

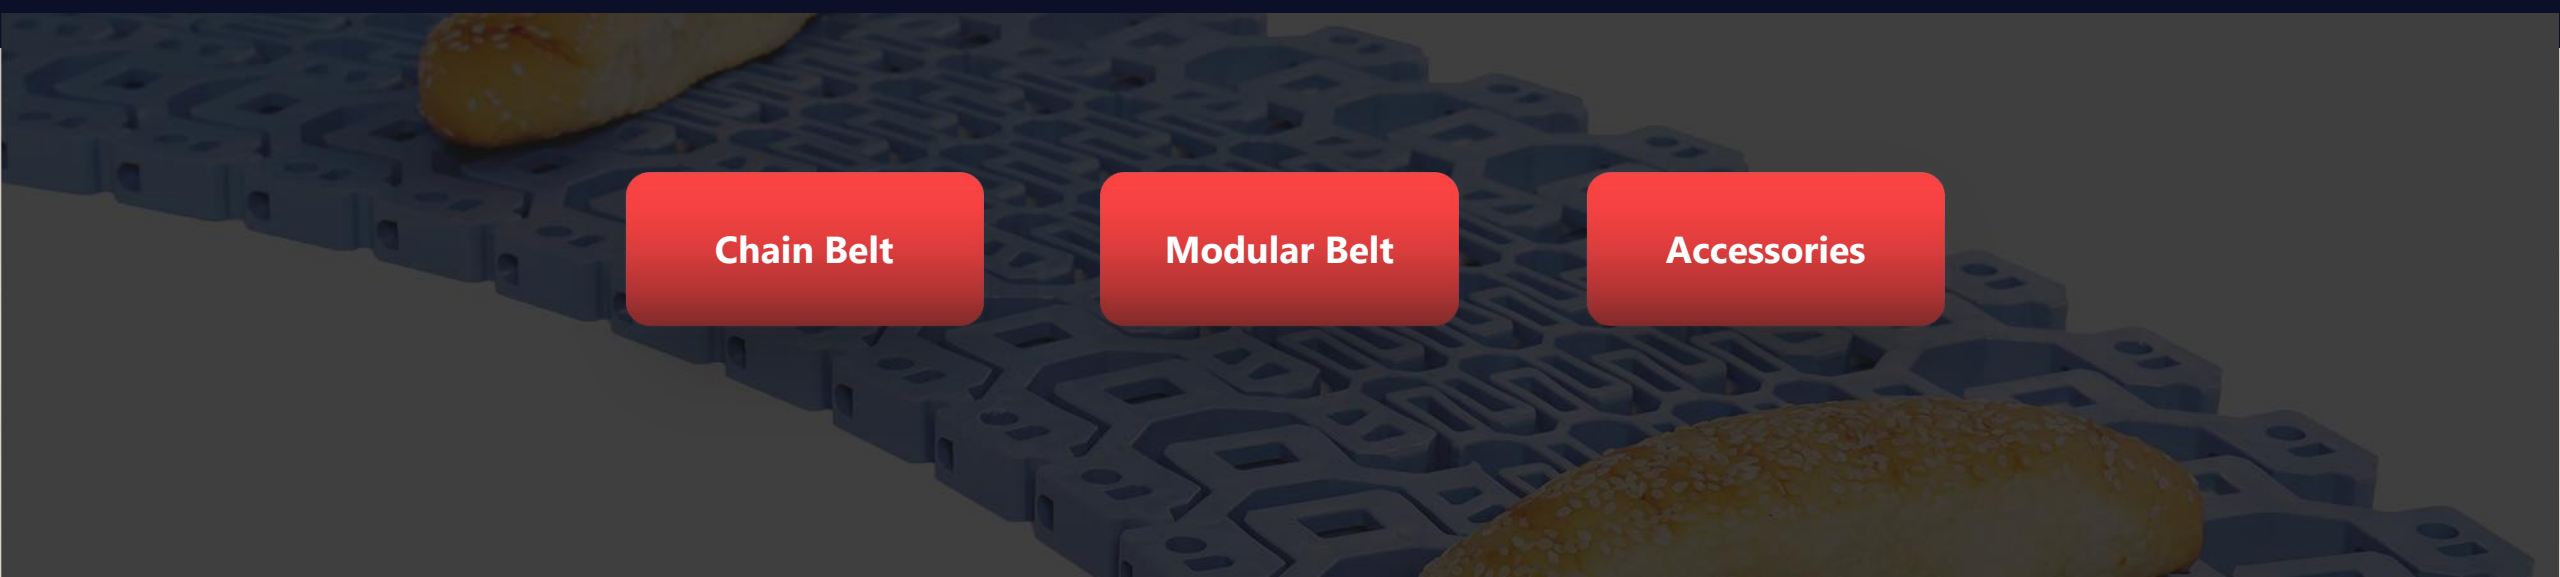

**Super Wear-Resistant -
Super Long Life**

**All Brand Compatible
Replacement**

Product Description

Some models of Beverage Industry Applications

Chain Belt

Modular Belt

Accessories

Plastic Chain Belt

HS-880-K325

- Width W (mm): 82.6 (inch): 3.25
- Working Load N(21°C): 2100 lbs 21°C : 472
- Radius: 457mm, 18.00inch
- Reverse Radius: 40mm, 1.57inch
- Weight(kg/m): 0.89

HS-1050B

- HS-1050-K330 (Side Flexing Plastic Chain)**
- Width W-83.8mm, 3.30inch
 - Working Load- N(21°C): 1650, lbs(21°C) 370
 - Radius: 500mm, 19.69inch
 - Reverse Radius-130mm, 5.12inch
 - Weight(kg/m): 1.54

HS-1060A

- HS-1060 -k330(Side Flexing Plastic Chain)**
- Width W- 83.8mm, 3.30inch
 - Working Load- N(21°C): 1890, lbs(21°C)425
 - Radius: 500mm, 19.69inch
 - Reverse Radius - 130mm, 5.12inch
 - Weight(kg/m): 1.68

HS-7100-70MM

- HS-7100-70 (Side Flexing Flexible Chains)**
- Width W-70.0mm, 2.76inch
 - Radius - 200mm, 7.87inch
 - Weight(kg/m): 1.6

Modular Plastic Belt

F1000B

- Pitch: 25.4mm
- Minimum Width: 84mm
- Open Area: 42%
- Approved: FDA
- Rod: Ø 4.5mm
- Flight: No
- Side Guard: No
- Curve: No

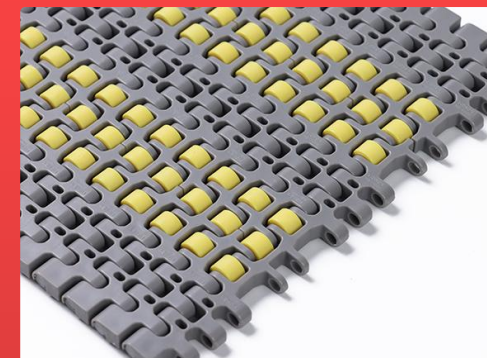

HS-701B

- Pitch: 27.2mm
- Minimum Width: 76mm
- Open Area: 38%
- Approved: FDA
- Rod: Ø 4.9mm
- Flight: No
- Side Guard: No
- Curve: No

HS-1100B-N

- Pitch : 15.2mm
- Minimum Width : 152mm
- Open Area : 28%
- Approved : FDA
- Rod : Ø 4.5mm
- Flight : Yes
- Side Guard : No
- Curve : No

HS-1100C

- Pitch : 15.5mm
- Minimum Width : 205mm
- Open Area : 10%
- Approved : FDA
- Rod : Ø 4.9mm
- Flight : No
- Side Guard : No
- Curve : No

Modular Plastic Belt

HS-1201B

- Pitch : 31.75mm
- Minimum Width : 423mm
- Open Area : 36%
- Approved : FDA
- Rod : Ø 4.9mm
- Flight : No
- Side Guard : No
- Curve : Yes

HS-1500B

- Pitch : 12.7mm
- Minimum Width : 107mm
- Open Area : 19%
- Approved : FDA
- Rod : Ø 4.7mm
- Flight : No
- Side Guard : No
- Curve : No

HS-2000A

- Minimum Radius: 600mm
- Minimum Width: 200mm
- Open Area: 0%
- Approved: FDA
- Rod: Ø 4.9mm
- Flight: No
- Side Guard: No
- Curve: Yes

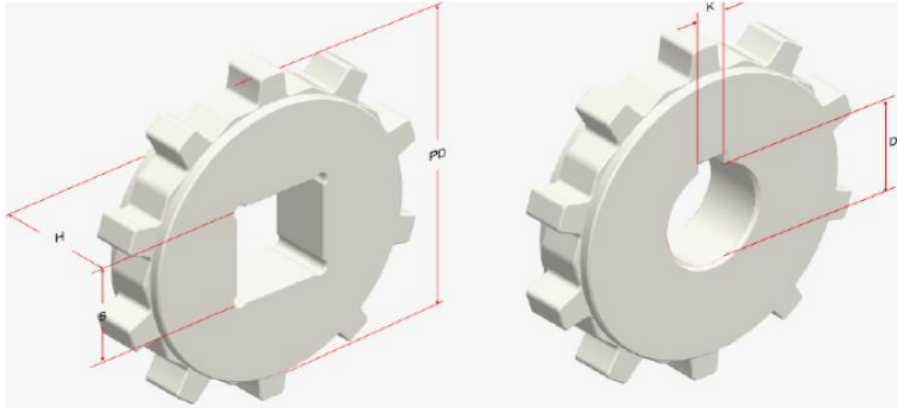

HS-2200A-EL

- Pitch: 19.05mm (3/4 inch)
- Width: 400mm
- Open Area: --
- Approved: -- Rod: --
- Friction Top: Yes
- Side Guard: No
- Spiral Turning: Yes
